**Section 1. Findings**

A. Article II, Section 2 of the Student Government Association Constitution reads as follows:

*(Article II) Section 2: Qualified members may become justices, senators, executive officers, or any other appointed office holder. Members that hold positions within SGA shall not hold multiple positions within the different branches as identified in Article III, Article IV, and Article VI of this Constitution.*

B. Members that hold positions within the Student Government Association are bound to serving in only one position at a time, even if some of these positions are only temporary. Many members of SGA are more than capable of holding a second position that lasts for a very finite amount of time without neglecting the initial responsibilities of a full year appointment.

C. SGA Members, due to the nature of their positions and the scope of their responsibilities, have a great amount of knowledge and experience that could be beneficial to Homecoming planning and festivities. However, as of now, students may not serve in a full year position and serve as either a Homecoming Director or a member of a Homecoming committee.
