An Executive Order to Suspend Student Organized Block Seating for the 2020-21 Football Season

Whereas, The University of Alabama Student Government Association, in consultation with University Administration, the Athletic Department, and public health experts, has reviewed options for student organized block seating; and,

Whereas, The University of Alabama Athletics Department and the Southeastern Conference have determined the appropriate maximum capacity for in-stadium seating must be reduced; and,

Whereas, the nature of student organized block seating requires an in-stadium capacity above the determined percentage; and,

Whereas, the President deems it necessary in the interest of fairness and student safety and wellbeing that the student organized block seating process for the 2020 football season must not be conducted;

THEREFORE, be it resolved, by the authority vested in Demarcus Alton Joiner as the elected President of The University of Alabama Student Government Association, and by the powers enumerated in the SGA Constitution and SGA Code of Laws, and in keeping with the Capstone Creed, it is hereby ordered: the Board of Governors will not hold a selection process for student organized block seating for the 2020 football season to protect the safety of students due to the COVID-19 pandemic, and the program will be suspended.
