A RESOLUTION TO ENCOURAGE THE DIVISION OF STUDENT LIFE DEPARTMENT OF UNIVERSITY RECREATION TO IMPLEMENT ONE HOUR PARKING SPOTS AT THE UNIVERSITY RECREATION CENTER

Be it enacted by the Senate of the Student Government Association assembled.

WHEREAS, the University of Alabama provides those undergraduate and graduate students who are enrolled in five or more credit hours access to use the Student Recreation Center.

WHEREAS, the University Recreation Center is open from 5:30-11 PM. However, unless you have a parking permit you are not allowed to park in the Student Recreation Center lot from 7 AM-6 PM.

WHEREAS, there is limited pay to park spots at the University Recreation Center. Moreover, most of the time, these spots are already in use for those who are parking for the entire day. Furthermore, some users cannot afford to pay to park every time they attend the Student Recreation Center.

WHEREAS, with these two limitations, the safety of the UA students is called in to question because many times proceeding 7 AM and following 6 PM, it is dim or dark outside. Thus, students can feel that this limitation of parking hours puts their well-being at risk.
WHEREAS, the Division of Student Life Department of University Recreation should look to implement a certain amount of one-hour parking spots for the Student Recreation Center.

WHEREAS, the hopeful installation of these one-hour parking spots would allow for recreation users to feel safer when attending.

THEREFORE, be it resolved, The University of Alabama Student Government Association appreciates this implementation by the Division of Student Life Department of University Recreation to help students feel safer.

Be it further resolved, that copies of this Resolution be sent to: Dr. Stuart Bell, President of The University of Alabama; Dr. James Dalton, Executive Vice President and Provost; André Love, Executive Director of University Recreation; Andrew Deere, Coordinator of Facility Operations of University Recreation; and others as may be deemed necessary at a later date.

A BILL TO AMEND THE CODE OF LAWS TO ALLOW SGA MEMBERS TO FULFILL OFFICE HOUR REQUIREMENTS WITH COMMUNITY SERVICE HOURS

Be it enacted by the Senate of the Student Government Association assembled.

Section 1. Findings:
A. Per the SGA Code of Laws, office hours must be fulfilled in the SGA Office or by doing official SGA business.
B. This, in turn, causes most office hours to be fulfilled by sitting in the SGA office, which does not help SGA, The University of Alabama Community, or the Tuscaloosa area.
C. In order to better exemplify the Capstone Creed, SGA members should have the option to fulfill their office hour requirements with hours doing community service.
