

The Student Government Association's Diversity, Equity and Inclusion Cabinet is dedicated to fostering a more inclusive environment at The University of Alabama. In efforts to achieve this, the Division of Diversity, Equity and Inclusion, Dean of Students' Office, and the DEI Cabinet of SGA have collaborated to produce the third-annual DEI Certificate Program. The DEI Certificate Program is designed to educate and enrich our student body and to enhance our ability to work collaboratively together. We, as students, bring our individual differences to UA, but we are all a part of the Capstone and want to continue its legacy of excellence and service. This series will heighten our awareness and responsibility we have as student leaders to pursue knowledge; act with fairness, integrity, and respect; promote equity and inclusion; foster individual and civic responsibility; and strive for excellence in all that we do. At times this may be challenging work, but it is vital work as we leave a legacy for greater inclusion for those that follow us!
