A RESOLUTION TO LOOK INTO THE FEASIBILITY OF INDIVIDUAL-COLLEGE GET ON BOARD DAYS

Whereas, the Source reports that they currently coordinate over 600 registered student organizations at UA

Whereas, the majority of these organizations sign up to attend the Source's annual Get On Board Day, which allows students to get connected with different organizations

Whereas, the event draws thousands of students over the course of its 3-4 hour run time

Whereas, the clubs that attend this event heavily rely on it to build strong new member classes and remain a club on campus

Whereas, some students cannot attend this event, which is only held once per year, and some of the students who do come are unable to locate or visit all of the booths of clubs they are interested in

Whereas, students may miss out on clubs that may be vital to their college experience, or crucial to building the knowledge for their planned career path as a result of not speaking to them at recruitment events such as GOBD

Therefore, be it resolved that the University of Alabama Student Government Association requests that the eight colleges that have representation in Senate (Arts & Sciences, Business, Communication & Information Sciences, Education, Engineering, Human & Environmental Sciences, Nursing, Social Work) look into the feasibility of implementing individualized college Get On Board Days around the same time period as the general Get On Board Day

Be it further resolved, that the SGA reiterates it is only asking that the feasibility of such a program being set up within each college be analyzed as a solution to the problem outlined above, and fully understands individualized Get On Board Days may not work with the internal operations or plan of each college

Be it further resolved, that the SGA recommends that if any colleges find that this a viable and necessary implementation, that they should reach out to the Source regarding logistical advice, as well as alerting organizations within their collegiate focus of the opportunity

Be it further resolved, that if any colleges implement an individualized Get On Board Day upon finding it to be a viable option, the SGA will assist that college with marketing for the event, as well as evaluate the resources it can provide based off what each college would need to make the event possible

Be it further resolved, that copies of this Resolution be sent to: Dr. Stuart R. Bell, President of the University of Alabama; Dr. James Dalton, Executive Vice President and Provost; Dr. Myron Pope, Vice-President for Student Life; Angel Narvez Lugo, The University of Alabama Student Government Advisor; Dr. Joseph P. **A BILL TO AMEND THE CODE OF LAWS TO ADD SPECIFIC OFFICE HOUR
REQUIREMENTS FOR LAW SCHOOL AND GRADUATE STUDENT
SENATORS**

Be it enacted by the Senate of the Student Government Association assembled.

Section 1. Findings:

1. Currently every member of the Senate is required to achieve their office hours through the SGA office or through external office hours including law school and graduate school senators.
2. The Code of Laws does not currently include an exception for law school and graduate school senators office hour requirements.

3. Due to the large commitment to be a law school or graduate school student, the requirement that office hours must be obtained through physical attendance within the SGA office is not in the best academic interest of those designated senators.

4. In effort to provide these senators with the ability to achieve academic success while maintaining their involvement within The Student Government Association it is necessary that the SGA pursue more appropriate locations for those senators to achieve their monthly office hour requirements.

Section 2. Legislation: **changes in red**

Chapter 302.4 Office Hours

Chapter 302.4.1 Each Senator is obligated to perform three office hours per week for every academic week in which the Senate has convened.

Chapter 302.4.2 The Speaker of the Senate and the Secretary of the Senate shall be obligated to perform three office hours per week for every academic week in which the Senate has convened.

Chapter 302.4.3 Senators may contribute time spent as any committee meeting, including the meetings of the Financial Affairs Committee, towards the fulfillment of office hours, so long as the time spent in those meetings has been documented.

Chapter 302.4.4 After every four weeks in which the Senate has met, the Secretary of the Senate shall tally the total number of hours completed by each Senator performed during that month.

Chapter 302.4.5 If the average number of office hours is less than three hours per week for Senators or three hours for the officers stated in Chapter 302.4, then the offending Senator shall accrue one unexcused absence.

Chapter 302.4.6 Senators currently enrolled in graduate school or law school who currently serve within a graduate or law school seat may obtain their three office hours within both the SGA office and/or their designated library (ie: Bounds Law Library, Gorgas Library, etc.).

Chapter 302.4.6.1 In the case that a law school or graduate school senator is not available on campus to achieve their office hour requirement an alternate location can be approved through the Executive Secretary (ie: a semester long internship, Co-Op, etc.).

Chapter 302.4.6.2 All law school and graduate school senators must submit their hours using the external office hour form available on the Student Government Association website. If a senator fails to submit their form for the designated week they accrue one unexcused absence.

Section 3. Copies: Copies of this bill shall be sent to: Angel Narvaez-Lugo, SGA Advisor; Alex Howard, Chief of Staff to the Executive Secretary
