A BILL TO REVISE THE TIME FRAME OF FIRST YEAR COUNCIL SEAT ALLOCATION

Be it enacted by the Senate of the Student Government Association assembled.

Section 1. Findings:

1. Currently the Code of Laws requires the Senate to confirm the allocation of First Year Council seats by the third week of classes.
2. University housing is responsible for providing the allocation data to the Student Government Association. However, they have no responsibility to follow the short timeframe laid out within the Code of Laws.
3. As of the first three weeks of class, the Student Government Association has not received the data to fulfill their duty as outlined in the Code of Laws.
4. Therefore, in pursuit of transparency, the Code of Laws should be changed to better reflect the relationship between housing and Student Government Association.
5. University housing will continue to deliver the allocation information to the Student Government Association.
6. There is no substantive change to the allocation process.

Section 2. Legislation:

AN AMENDMENT TO THE CONSTITUTION TO CLARIFY THE DEFINITION OF AN ACT OF THE SENATE

Be it enacted by the Senate of the Student Government Association assembled.

Section 1. Findings:

- A. In a recent decision issued by the Judicial Board, it was ordered by the Court that A-03-21 was invalidated under the pretense that it did not pertain to “matters involving “some sort of monetary allocation”.
- B. However, it has long been the practice and interpretation of the legislative branch of the Student Government Association that an Act pertains to all actions, initiatives, and/or programming to be carried out by the Student Government Association, with and without monetary allocation.
- C. As a result of the recent opinion of the Judicial Board, it has now become both a pressing and urgent need to further clarify the legislative actions that rightly fall underneath the category of “Act”.

1. Currently, the leadership structure of the Senate consists of one permanent Speaker who serves for the duration of their term
