## **RELEVANT EXPERIENCE**

**Zeta Tau Alpha, Nu Chapter President - *The University of Alabama, Tuscaloosa, AL***

- Lead a chapter of 440 members and develop goals to enhance individual campus involvement, academic achievement, and philanthropic endeavors, overseeing and encouraging the chapter to reach its potential in all aspects of operations.
- Help maintain and balance a chapter budget of \$3.2 million, overseeing the allocation of funding to each respective executive office and ensure the chapter is able to meet its financial obligations to the Fraternity & Housing Corporation
- Coordinate weekly meetings and manage an Executive Council of 12 officers to oversee chapter functions --programs planned and executed, policies and procedures followed, and that all officers carry out their respective responsibilities.

**Student Government Association, Chief Administrative Officer - *The University of Alabama, Tuscaloosa, AL***

- Serve as the liaison between the Executive Cabinet and the SGA President to coordinate projects and supervise operations while performing managerial and administrative tasks that are otherwise time-consuming for the President.
- Oversee and maintain internal operations among the Executive Council and Cabinet in administrative-related departments including HR. Advise the SGA President at her discretion, and recommend the creation of executive committees.

**Cintas Corporation Strategic Sourcing Internship - *Summer 2022 in Chicago, IL***

- Query, clean, and analyzed data sets from multiple internal and external sources to find business insights. This included presenting findings and recommending action to company leadership.
- Actively sought opportunities to expand knowledge and skills within the discipline. Attended trainings and other educational opportunities to obtain knowledge in relevant areas while applying industry standards and company policies to projects.

**MOSAIC Global Insurers Underwriting Internship - *Summer 2023 in Chicago, IL***

- Will assist in conducting risk assessments and analyzing data to help underwriters make informed decisions on coverage for war, terrorism, political violence, and cybersecurity risks.
- Will conduct research and analyze market trends to support the development of new product lines and pricing strategies in the context of international political violence and cybersecurity at a global specialty insurer.
