

5 Financial Tips and Tricks for the New Year!

1. The Acorns app rounds up every purchase to the next dollar and collects the cents for you to start saving!
2. Budget a certain amount of money for each week/month.
3. Always have some money put away in case of an emergency.
4. Buy groceries and cook food at home instead of going out to eat.
5. There are many scholarships available through the university so set aside some time and apply!
